Dr. Trisna Trisna:

We have reached a decision regarding your submission to International Journal of Supply Chain Management, "Assessment of Social Sustainability Of Nutmeg Based-Agroindustry Supply Chain In South Aceh Regency".

Our decision: Accepted with minor revisions.

Congratulations!

-----  
Reviewers Comments:

1. It's noted that there will be no footer but header will be available. You have to add journal info as per original template at the bottom of the first page in the left column.

1.1 You have to mention all author (s) name, email address in the final manuscript as per journal template as well as the online system.

2. There is no reference from International Journal of Supply Chain Management (IJSCM), therefore, it's recommended to use few references from IJSCM's databases.

3. It's highly recommended to avoid old references (particularly before 2010).

4. You could check proper spelling [Tabel 7], necessary space [agroindustries], remove unnecessary comma [1) labor, 2) health and safety,] etc. as required in the paper.

5. For Table 8, you could show row and column borders similar to other tables.

-----  
Revised final manuscript and journal payment would be submitted on and before September 8, 2020.

Please find the attachment of Acceptance letter and Payment Procedure to transfer 300 USD (excluding transfer fee) as publication fee through Bank transfer or Western Union/Moneygram.

Looking forward to seeing your further co-operation.
