[jppw] Article Submission Acknowledgement (JPPW)

Dr Sures Ahmad <jppweditor@gmail.com>

To: saifuddinunus <saifuddinunus@unimal.ac.id>

Dear Saifuddin Yunus.

Greetings from JPPW Journals,

Thank you for submitting the manuscript, "Subject Teacher Congress A Strategy Teachers' Capacity Upgrade" to the Journal of Positive Psychology and Wellbeing. This article will be reviewed and considered for possible publication per the revised publication schedule available at <https://journalppw.com/index.php/jppw/announcement>.

But if the similarity index is high or contents are plagiarized, the article will be rejected without peer review, and the author will receive a separate email.

Please be informed that this journal charges 925\$ as publication fees to cover the cost and approximate time from submission till publication, maybe around 3 to 4 months. We are not a fast-track publication, so thanks for being patient.

Next Step: 1.

1. All co-authors of this article should fill in the required information in this Google Form as soon as possible. It is mandatory before we start the review of your paper.
2. Join the JPPW Library Email list to receive new articles directly in your email box.

Probable Timeline for Publication:

1. A particular Article ID will be assigned and emailed separately to the corresponding author that you must use in the Email subject line when communicating with us. [approximate time one week]
2. Article sent for double-blind peer review. Our team will contact you after receiving a review report— [approximate time eight weeks]. Kindly be patient as sometimes this duration can be longer.
3. The author completes revisions and resends articles to communicate with JPPW team members.
4. The author receives a Letter of Acceptance/Rejection email [approximate time two weeks].
5. In case of acceptance, payment instructions will be sent. The author need to complete payment as soon as possible and send the receipt to jppweditor@gmail.com in with this Email subject line
6. After payment is received, the article will be copyedited and published, and the author will be notified by email— [approximate time one week]. During copyediting author may receive an email from our team for further improvement or clarification that needs to be completed urgently.

For any query, always use the particular article ID you receive in a separate email. Thank you for considering this journal as a venue for your work.

Dear Author
Greetings from JPPW

This is to inform you that the Editorial office of the Journal of Positive Psychology and Wellbeing has received peer reviews comments/suggestions for the following article.

Article ID/ Title: " Subject Teacher Congress A Strategy Teachers' Capacity Upgrade "

Similarity Index [Checked by iThenticate (Turnitin Software)]: 16%

You are expected to revise your manuscript as per the following suggestions. Read all parts of the email carefully and act without fail.

Reviewer A comments: Please revise your manuscript as per the suggestion inside the manuscript.

Further comments are indicated in Red color inside the file. See them and revise accordingly. After corrections, kindly suggest at the same place that the modifications are done by writing [Done] in square brackets.

Reviewer B comments:

The title should tell the true story of the research article.

The manuscript must be arranged as per the attached JPPW template. Primarily abstract should be written in 5 subheadings of Purpose, Methodology, Main findings, Implications, Novelty.

The first two lines of the abstract should tell about what has been done in this research. Don't tell the background of research in the abstract. All background information should go in the introduction section.

Note on Plagiarism and Similarity:

JPPW Journals follows ZERO Plagiarism policy. We check all articles by iThenticate (Turnitin software). You are expected to see attached similarity report as well and take the following actions :

1. Wherever you see the similarity, entire paragraph or 2 to 3 lines complete copy-pasted, you need to rewrite in your words. It will reduce similarity.
2. If you are taking any text, information, idea, images, data, table, etc., from some source, you should paraphrase and give citations to that source. Otherwise, the article will be labeled as Plagiarized and Rejected, and no query will be entertained.

Note: Kindly do all revisions in an attached file only; don't change file name or extension and send me back within seven days. If you do not follow the above suggestions, your article will be rejected or delayed.

With Warm Regards
Dr. Sures Ahmad
Managing Editor, JPPW
