Dear Authors,

Thank you for submitting your article entitled: **“The impact of basic life support training on the knowledge and skills amongst medical students in faculty of medicine, Universitas Malikussaleh: a pre-experimental study”**

In order to have a better-structured article, please input your detail in the article:

1. Please describe the inclusion and exclusion criteria of the research subject in the method section
2. Please add descriptive data as a table of study participant's characteristics (e.g., gender, age, grade of medical student, etc.
3. Please add the study limitation in the last paragraph in the discussion section.

Please return the revised manuscript within **10 days (May 4th, 2021)**, and type the revision on the attached manuscript below.

Thank you for trusting us with your hard work
Best regards
