Mawardati Mawardati:

After a careful review of your submission, "The Role of Women in Increasing Oil Palm Production in Aceh Province" will be considered for Book of Proceeding Malikussaleh International Conference on Multidisciplinary Studies (MICoMS) if the following revisions are successfully implemented.

- The reviewers comments:
1. Inappropriate manuscript template
 2. results, discussion, and conclusions do not match the title
 3. No observational data (Research data has not been shown in tables or figures)
 4. There is no discussion that contains references
 5. The discussion does not match the title

Please find the attached files.
Thank you and looking forward for your article.
