Note	From
<p>Dear Author,</p> <p>Research Trentz, which is now the owner company of IJEBAS Journal, requires language and content editing of all the submissions before publishing the accepted articles. This service, which costs \$50, is definitely essential to complete the process of publication. This does not mean that IJEBAS Journal is a paid journal, which accepts all submissions for \$50. It is just opposite. Most submissions are rejected in the pre-editorial stage if they do not meet the academic quality criteria of Research Trentz.</p> <p>Please, let us know if you may wish to continue your submission process.</p> <p>Your prompt response is highly appreciated.</p> <p>Best regards.</p> <p>Editor in Chief</p>	<p>ricounimal93 2023-05-14 01:43 PM</p>
