Thank you for the confirmation.  
While we take care of the Table of Contents verification, can you send me the following documents?

- Foreword for the book
- Program Committee

Do you want to add any additional information to be included in the initial pages of the book like the organizers? If yes, we also need a word document with the information.

Dear Proceeding Team, Ana Rita Paciência,

I would like to introduce myself, I am Dr. Darmawati Muchtar a senior lecturer at the Faculty of Economic and Business Universitas Malikussaleh, and as the MIICEMA Committee 2019, also one of the Editor Team for the proceeding. Before that Prof. Dahlan Abdullah always communicates with you to follow up on the status of the publication.

However, as you know we have 102 authors that always addressed the question to me about publishing the paper, this is because they have reported the output (Publication) to their University. Prof Dahlan has mentioned that the paper will publish soon, but now we need an official statement that mentions the current stage and when will be issued, this is really important for all authors. Then, the letter you can address to me or to the Chairmen of MIICEMA, Mr. Wahyuddin Albra.

We put much hope for you to help us to publish the paper as soon as possible.  
If you have any questions, do not hesitate to contact me.

Thank you very much for your attention and cooperation.

Warm Regards,

Dr. Darmawati Muchtar
