Paper Title	Optimization of iron (Fe ²⁺) adsorption on commercial granular activated carbon in a fixed-column
Paper Authors	Novi Sylvia Meriatna Fikri Hasfita Nur Fardian
Paper Keywords	Adsorption, Box-Behnken design, Optimization, iron (Fe ²⁺), isotherm
Abstract	Modeling of adsorption process establishes a mathematical relationship between the interacting process variables and process optimization is important determining the values of factors for which the response is at maximum. Adsorption of Fe from ground water was optimized using response surface

ACCEPTANCE LETTER ICSEBS2016

Paper ID : P_JST_033

Title : Optimization of Iron (Fe²⁺) Adsorption on Commercial Granular Activated Carbon in A Fixed-Bed Column

Assalamualaikum. Warmest Greetings! Many thanks for your submission!

Congratulations on the acceptance of your paper! And thank you for your interest to be part of us in the International Conference on Science, Engineering and Built Environments (ICSEBS 2016) which will be held in **Telkom University, Bandung, Indonesia from 28th November to 1st December 2016**. Your manuscript for this conference was reviewed by several experts in the field. This is my pleasure to inform you that your paper qualifies for publication in **PERTANIKA JOURNAL**. During their reviews, each reviewer recommended an appropriate action for your manuscript and provided comments to help me organize appropriate sessions. The status of your manuscript is ~~Accepted as is~~ / **Accepted with Correction** / ~~Rejected~~.

We wish to have the corresponding author and authors to fill up the provided ICSEBS2016 Registration form separately. Please return the Conference Registration forms to the organizing committee not later than **two week** from date of Acceptance Letter.

Payment is compulsory to be made to: ICSEBS2016

Required Author Registration

For papers with multiple authors, please ensure that at least one author register to attend the conference to avoid being withdrawn from the Journal Publication. All Presenters **MUST** register before **Date of Conference** to avoid automatic withdrawal of paper to be published.

Presenting in Parallel Sessions

Speakers will be given 25 minutes to present their paper, including questions and discussion. Presenters are requested not to exceed the allotted time slot. It is advised that presenters prepare handouts in advance (if necessary) for the audience.

We recommend you to submit your presentation slides **before Date of Conference** prior to the event to give us an ample time to save your presentations to our computer or flash drive. It will also provide us the opportunity to test your presentation with the equipment that we will be using on the conference day.

The organizing committee of ICSEBS 2016 will be contacting you shortly to advice on the date, time, and location of your presentation. Please do not hesitate to contact us at icsebs2016@gmail.com. For the Malaysian participants, kindly contact us at mobile no:+6 012 2695287 (Nora); Indonesian participants may wish to contact +62812 2344 2808 (Giva Andriana) should you need any assistance for the conference preparation.

Once Again, congratulations on the acceptance of your paper..!! and we look forward to seeing you at the conference.

Sincerely,

A handwritten signature in black ink, appearing to be 'H. Maulid', written in a cursive style.

Dear Author,

ICSEBS2016 publication committee wishes to inform that our planned publication with PERTANIKA is currently facing some issues pertaining to their internal management. Their inefficiency has caused major delayed to our journal publication since 2017. On behalf of ICSEBS committee, we would like to take this opportunity to seek an apology for this unprecedented situation.

After a deliberate and careful consideration, our journal publication committee has decided to redirect your paper to another Scopus Index-Journal, namely the International Journal of Engineering and Technology IJET (UAE). IJET is an International ISI and Scopus Journal (Scimago Journal Rank (SJR) 0.1).

This email requests for your agreement to allow us to transfer the submission of your ICSEBS2016 paper from PERTANIKA to this newly identified journal. The committee has only one week to work on this redirecting publication and therefore, we need to receive your email response within two days. Please be informed that a failure of responding within this stipulated time, resulting in an immediate confirmation that you are accepting a changing publication from PERTANIKA to IJET. Please adhere with us as this new journal publication in IJET is scheduled to publish by December 2018.

Your prompt reply is kindly appreciated to assist our way forward.

Thank you for your cooperation, and we really hope our collaboration will warmly continue in the near future.

From,

ICSEBS2016 Publication Committee
