First I must apologize for this late response on the kind email you send about the review of our paper. It happened that I missed publishing of the Journal.

We have done revising on the manuscript according to the suggestions by both reviewers. Please accept the attached files.

Best regards

Fransiska

Dear Author,
Greetings

As per our guidelines we follow two step review process for refining the content quality of our journal. Attached are the two reports We request you to go through the reports and send us a final highlighted revised file including corrections suggested by reviewers. Also send us two individual response forms (1 & 2) addressing both the reviewer's separately along with one revised manuscript.

Best Regards
